Letter of Recommendation for Mr. Karlo Škorić

To Whom It May Concern,

I am pleased to support the application of Mr. Karlo Škorić.

I came to know Mr. Škorić through his role as the host of the *Libertas Talks* podcast, where he has conducted interviews with Members of the European Parliament, diplomats, and public officials. In this capacity, he demonstrated strong preparation, professionalism, and a solid understanding of European policymaking and institutional processes.

Mr. Škorić shows a clear ability to communicate complex policy issues to a broader audience and to facilitate informed dialogue on European affairs. His engagement in academic, civic, and international initiatives reflects maturity, analytical thinking, and a genuine commitment to public service and the European project.

Based on these qualities, I am confident that he would contribute constructively in a European institutional environment. I strongly endorse his application and am confident he would be a valuable addition to the team, able to make meaningful contributions to current projects while continuing to deepen his expertise in European politics.

All the best,
