Letter of Recommendation for Mr. Karlo Škorić

To Whom It May Concern,

I am pleased to provide this letter of recommendation for Mr. Karlo Škorić, a civic-minded communicator and podcast host dedicated to promoting informed public dialogue and democratic participation.

I had the opportunity to collaborate with Mr. Škorić during an episode of the *Libertas Talks* podcast, where we discussed European policy, democratic values, and the role of citizens in shaping the future of the European Union. Throughout our cooperation, I was impressed by his thorough preparation, thoughtful moderation, and commitment to presenting complex topics in a clear and accessible manner.

Through *Libertas Talks* and related initiatives, Mr. Škorić contributes to strengthening public understanding of European affairs and encourages constructive civic engagement, particularly among younger audiences. This work aligns with the broader goal of fostering informed democratic participation and dialogue across Europe.

I commend Mr. Škorić for his professionalism, integrity, and dedication to meaningful public discourse. I am confident that he will continue to make valuable contributions to civic dialogue and democratic engagement inside your institution.
